

## **The Indian Trail - Elm Place Chess Club**

Scholastic chess has enjoyed explosive growth in recent years and has shed its reputation as a game only for intellectuals. Beyond the sheer pleasure of playing, studies have shown that chess improves academic performance, concentration, logical thinking, and social skills.

The Indian Trail/Elm Place Chess Club will re-open on **Monday, Sept. 9<sup>th</sup>**. The club director is Jerry Neugarten, a retired attorney. The club has won 19 team trophies at state championship events. Jerry also spearheads the district-wide chess program ([www.hpchess.org](http://www.hpchess.org)) and serves as chair of the Youth Committee of the Illinois Chess Association. Coaches in Highland Park clubs include Illinois players with national titles who teach our most advanced students.

The club is open to those in grades K-8 and will meet on **Monday and Wednesday afternoons in the Indian Trail multi-purpose room from 3:20 to 5:20 pm**. Elm Place students will be permitted to attend the Elm Place homework club between 2:40 and 3:20 pm and can then either walk on their own or be picked up and driven to Indian Trail. They may also leave Elm Place at 2:40 as they normally would and come to Indian Trail by their own means at 3:20. (They will not be supervised in the period between their leaving Elm Place and arriving at Indian Trail.)

The club will run through May. Members are not required to attend all year or to attend every session and may leave early. Attendance will be taken and parents should specify in writing any variations from full-time attendance. (Additional security procedures are spelled out in the club Handbook.) Although members may join the club at any time, beginners are encouraged to attend regularly during the first few months when introductory lessons are offered at each club session. Intermediate and advanced lessons will be conducted once a week, on Mondays. Lessons will run 45 minutes, and members are expected to attend lessons when they are offered. The second half of each session will be devoted to play. Sets and boards will be provided. Parents and caregivers are welcome, and members should bring snacks. Those who wish may visit the club before deciding whether to join.

Members are divided into groups based on experience. The club ranks members according to their wins and losses, and maintains an incentive system rewarding members for teaching, taking chess notation, performance during lessons, and helping the club in other ways. The club plays matches against other schools and will encourage club members who are ready to attend local and statewide tournaments.

Attendance will be \$50 for the entire year, and scholarships are available. (Checks payable to Indian Trail PTO.) If you have not already signed up for the club on the PTO web site, or if your child attends Elm Place, please complete the registration form and return it to the Indian Trail office or bring it to a club meeting. For information, call Jerry Neugarten at 847-831-2435 or e-mail him at [jerryn@statetel.com](mailto:jerryn@statetel.com).
